**Exam : HP2-I17**

**Title : Selling HP Printing  
Hardware 2020**

**Version : DEMO**

### 1.DRAG DROP

Match the customer objection on the left with the correct response on the right.

Customer objection	Correct response
I can get a better price on cartridges from your competitor. They are not original, but they told me that this would not void my warranty.	PageWide offers best-in-class print speeds by printing across the page in a single pass.
I am happy with the LaserJet in my home office and I'm unsure that PageWide will give me the print speed I need.	HP printers are designed for all-round usability and feature intuitive buttons and control panels, convenient paper tray and cartridge access, and remote configuration/management.
Your competitor will sell me a printer that is easy for my employees to use with no training.	PageWide printers have fewer moving parts, resulting in less maintenance, which is an expense you might not have considered.
Your competitor's printers deliver significant cost savings and I am happy with their performance.	The use of third-party compatibles does not void printer warranty, but printer damage caused by a third-party cartridge is not covered by HP.
